

Tuesday 6th October

Yate Academy 6th Form Open Evening: Thursday 22nd October- 5.30-7.30pm

Dear Families,

We are delighted to invite you to our Sixth Form Open Evening. We are confident that you will see that our Sixth Form provides a first class education in a setting where nurture and ambition go hand in hand.

During the evening there **will be a talk about our Sixth Form at 6.30pm** led by Eddie Rakshi (Headteacher) and you will have the opportunity to speak to individual subject teachers about the range of options on offer at Sixth Form. Whilst we will elaborate on these points at the evening, I wanted to touch on the main reasons that we feel our Sixth Form is an excellent choice for your son/daughter:

- Our world class teaching and stellar examination results.
- Our class sizes allow us to focus on meeting the needs of each individual student, tailoring our teaching so everyone is given every opportunity to succeed and no-one falls behind.
- Our amazing programme of enrichment activities helps prepare your young adults for the future by giving them a chance to develop extra skills and have tailored careers advice.
- Our location, in the heart of our community, is convenient for students to access.
- Our fantastic purpose built Sixth Form provision provides our students with a degree of independence from the Academy whilst still allowing them to access all of its resources and facilities.

This night is an opportunity for students and families to investigate the range of courses that we offer here. Students and parents can also find out about the programmes that we offer to support student applications for apprenticeships, universities, careers in medicine and Oxbridge applications. In recent years this has seen students secure places at Cambridge University and a range of medical, dental and veterinary schools as well as highly competitive apprenticeships. Future guidance is one of our greatest strengths and it is the quality of the relationships that students develop with staff here that enables them to grow into happy and successful adults.

We hope to see you and your child at the **Sixth Form Open Evening on Thursday 22nd October from 5.30pm**. If you have any questions about our offer please visit our website or email Mrs Statham lstatham@yateacademy.co.uk

Yours sincerely,

Mr E Rakshi
